was an extended the bottom of the second that the profit of the circumstance are profit of th daren thousand dollars, or could be leased. The stables would then be hidden from view, and this extremely utilitarian adjunct to the nation's shrine would be disposed of. Then the construction of the flower garden could be completed, and the city's respect for the illustrious dead be vindicated.

DEATH IN THE SUGAR HOUSE.

DEATH IN THE SUGAR HOUSE.

One Night's Record of Casualties in Havemeyer's Refinery.

Coroner Lindsay, of Broooklyn, was notified to-day of the sudden death of John Glasser, who, it is supposed, was overcome that the match could not go on if there was any money stake up. Young Riceber is a protege of Capt. Daly's, and as Rober was getting the best of the match the Captain did not want anything to interfere with him. In the midst of the excitement Capt. Daly jumped forward and landed a terrific blow on the Sergeant's mouth. This created a small-sized panic, The Captain escaped to the gallery of the theatre and from thence to the street.

The Sergeant had his wounds dressed and officers were sent out at once in all directions to look for the captain.

Detectives Hogan and Foye captured him in a saloon at 295 Avenue A, and brought him to the station-house very meek and penitient.

Daly as and as Roseber was pretting the best of the match true Captain did not want anything to interfere with him.

In the midst of the excitement Capt. Daly jumped forward and landed a terrific blow on the Sergeant's mouth. This created a small-sized panic, The Captain escaped to the gallery of the theatre and from thence to the street.

The Sergeant had his wounds dressed and officers were sent out at once in all directions to look for the captain.

Detectives Hogan and Foye captured him in a saloon at 295 Avenue A, and hrought him to the station-house very meek and penitent.

Classer, who, it is supposed, was overcome by the heat last night while working in Havemeyer's Sugar Bennery in Williamsburg.

The heat in the big refineries is intense.

Even in Winter the mercury in the there is made and not for any more in which the westing match.

Even in Winter the mercury in the thermometer is kept away up in the high figures, and in Summer the heat is overwhelming.

Glasser worked on the third floor. About 10 o'clock last night he fell exhausted. An Howe & Hummel's office appeared for the prisoner.

WORKINGMEN ATTENTION—We will rent year on these nice, light rooms, lid improvements, for from \$7.50 to \$12 per month; limited to o'clock last night he fell exhausted. An Howe & Hummel's office appeared for the prisoner. was for a medal and not for any money prisoner.
